

Better Property Management

Tenancy Stream offer property management across Yorkshire, starting from **£30 p/month**.

About Tenancy Stream

Lower Cost, Better Service:

Tenancy Stream offer everything you would expect from a property managing agent - all for one fixed monthly fee. We use the latest technology to provide the best experience for landlords and tenants at a fair, transparent and competitive price.

Our Services:

We manage a wide range of properties, including HMO, blocks, individual properties & more. Whether you'd prefer to just throw us your keys and let us take care of everything or would rather be more hands on - our fee will be fair, transparent and competitive. Simply contact us and we'll create a plan that works for you.

Professional Management:

We are members of the Property Redress Scheme, protect tenant monies in a Deposit Protection Scheme and are members of the National Landlords Association.

Key Features

Landlords Dashboard

Track your properties, attach files and see your revenue from an easy-to-use dashboard.

Tenant Portal

Tenants report issues, see updates and speak to our team via our Tenant Portal. Available online and via our app.

Property Administration

Add files and essential information to your property pages - no more spreadsheets required.

Local Property Experts

We combine a personal touch with helpful technology, so you are always up to date.
